Notices

➤ Application for Extension of Period of Registration

An application under Section 27A(2) for an extension of this registration has been lodged. In the event that the design shown is not new or original, the Registrar may refuse to extend the period of registration. Sub-section 27A(4) allows any person to lodge at the Designs Office material relevant to the question whether this design is not new or original. That material must be lodged within 11 months of the date when registration of the design was made. Further details of the conditions and procedures for the lodgement of material are contained in Form 8 provided under the Designs Regulation 24.
